

New Jersey Department of Environmental Protection – Radon Section
Approved Continuing Education Courses – **March 1, 2012**

Any course or combination of courses on this list is approved for measurement and mitigation technicians and specialists as long as minimum renewal requirements are met. If additional hours of training are received, they are NOT transferable to another year.

SPONSOR	COURSE TITLE	DURATION
American Association of Radon Scientists And Technologists, Inc. (AARST)	Proof of attendance at the AARST International Radon Symposium (submit date-stamped attendance form and program schedule)	TBD based on days in attendance
Eastern Regional Radon Training Center (ERRTC), Rutgers University (732) 932-9271	Radon Measurement Proficiency Course – Home study	16 Hrs
	Radon Measurement Proficiency Course - Classroom	16 Hrs
	Radon Mitigation Proficiency Course – Classroom	24 Hrs
	Waterborne Radon – Home study	8 Hrs
	Radon Resistant New Construction - Home study	8 Hrs
	Radon Measurement Review – Home study	8 Hrs
	Quality Assurance/ Quality Control in Radon Measurements – Home study	8 Hrs
	Hands – On Mitigation Course	8 Hrs
Gemmill Associates (800) 846-9893	Advanced Radon Theory, QA, Radon Measurement Device Workshop	16 Hrs
NJ Radon Education Services (800) 872-7236 (732) 329-8570	Radon Topic I	4 Hrs
	Radon Topic II	4 Hrs
	Radon Mitigation I	4 Hrs
	Radon Mitigation II	4 Hrs
	Radon Topics for Testers and Mitigators - 5	4 Hrs
	Internet - 1	4 Hrs

Approved Continuing Education Courses – **March 1, 2012**

SPONSOR	COURSE TITLE	DURATION
Radiation Data (609) 466-4300	Continuing Education Course for Radon Measurement Technicians – Classroom	4 Hrs
	Continuing Education Course for Radon Measurement Technicians - Home study	4 Hrs
	Continuing Education Course for Radon Measurement Specialists - Classroom	8 Hrs
	Continuing Education Course for Radon Mitigation Specialists - Classroom	8 Hrs
Radalink, Inc. (800) 295- 4655 (914) 345-3380	Radon Measurement Operators Training Course	16 Hrs
RTCA, Inc. (800) 457-2366	Radon Measurement Operators Training Course - Measurement Technician	4 Hrs
	Radon Measurement Operators Training Course - Measurement Specialist	8 Hrs
Spruce Environmental Technologies (636) 398-4912	Radon Fans: Fundamentals & Selection -Classroom	4 Hrs
	Choosing a Fan: Answers to Your FAQ's - Classroom	8 Hrs
U.S. Inspect, LLC (703) 293-1511	NJDEP Radon Measurement Technician Training	16 Hrs
	Radon Measurement Protocols Review - Update 2007 - Home Study	2 Hrs
	Radon Physics – The Basics – Home study	2 Hrs
	The Health Risks of Radon	4 Hrs
	Radon Measurement Devices	2 Hrs
	Radiation Safety Refresher for the Radon Professional	2 Hrs
University Educational Services, Inc. (570) 421-1775	A Brief Overview of Radon - Home study	2 Hrs

New Jersey Department of Environmental Protection – Radon Section
Approved Continuing Education Courses – **March 1, 2012**

SPONSOR	COURSE TITLE	DURATION
University Educational Services, Inc. (Cont'd) (570) 421-1775	A Citizen's Guide to Radon - Home study	2 Hrs
	Back Draft Testing - Home study	2 Hrs
	Consumer's Guide to Radon Reduction - Home study	2 Hrs
	EPA's Map of Radon Zones - Home study	2 Hrs
	Health Risks due to Radon and Guidance on Multimedia Mitigation - Home study	3 Hrs
	Home Buyer's and Seller's Guide to Radon - Home study	2 Hrs
	Introduction to Control Charts - Home study	2 Hrs
	Long Term Predictions from Short Term Measurements - Home study	2 Hrs
	Mitigation Failure Modes - Home study	2 Hrs
	Quality Assurance Plans for Radon Testers - Home study	2 Hrs
	Radon in Water - Home study	2 Hrs
	Radon Measurements in Schools - Home study	2 Hrs
	Radon Testing Equipment Review - Home study	3 Hrs
	Tampering by the Numbers - Home study	2 Hrs
	Tampering in the Radon Industry - Home study	2 Hrs
	Very Fundamental Nuclear Physics - Home study	2 Hrs
Western Regional Radon Training Center (WRRTC), University of Colorado (973) 927-7303	NJ Radon Measurement Device Course - Home study	4 Hrs
	NJ Radon Measurement Device Course - Classroom	4 Hrs
